Property Assessment Data from Local Assessment Rolls

Data Dictionary

Data Label	Data Type	Data Description
Roll Year	Numeric	The calendar year in which the assessment roll was filed.
County Name	Text	The name of the county in which the parcel resides.
Municipality Code	Text	Six-digit code that uniquely identifies each municipality.
Municipality Name	Text	The name of the city or town in which the parcel resides.
School District Code	Text	Six-digit code that uniquely identifies each school district.
School District Name	Text	The name of the school district in which the parcel resides.
SWIS Code	Text	Six-digit code that identifies subsections of a city or town, such as a village that resides within.
Tax Class	Text	Tax class used in municipalities where class assessing is applicable.
Roll Section	Numeric	The section of the assessment roll on which the property resides.
		1 - Ordinary taxable property including that which is partially exempt.
		3 - Taxable State Owned Land. All property owned by the State of New York that is subject to general tax levies.
		5 - Special Franchise. Real property owned by public utilities, such as cables, transmission or distribution wires, mains, etc., which is located under, above, or upon any public right of way.
		6 - Utilities and Non-Ceiling Railroads. all property owned by public utility companies and privately held railroad companies except special franchise and ceiling railroad property.
		7 - Ceiling Railroads. All railroad transportation property whose assessments are subject to a ceiling imposed by the Office of Real Property Tax Services.
		8 - Wholly Exempt Property. includes all parcels which are entirely exempt from property taxes for the general levies. Many properties in this section are required to pay some special district taxes, however.
		Sections 2 and 4 are not currently in use.
Property Class	Numeric	A three digit code, established by ORPS for categorizing property by use.
